

*This be
a wonderful
surprise!*

SPIRITS

The Soul Collector

BY COLIN LAWLER

BY COLIN LAWLER
& JOSEPH GRABOWSKI

*By the
bright stars,*

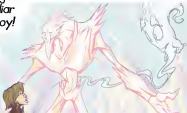

could this be
a Thompson?

Yeah, I'm Will.
But how—?

*You've got
a familiar
face, boy!*

Luxan, so
good to be in
your glow.

Fierce Norah!
Always a true
delight.

Lux, Wisp told
me that he was

as what happened
to your sister.

We're so
sorry.

No need
for sorrys.

my dear.

The only one
of us who needs
to feel such a way
is meself.

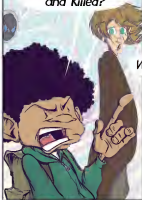

Our father told us
to follow each other
into darkness.

I neglected to
do precisely that.

Why weren't you
with your sister when

she was attacked
and killed?

Will!

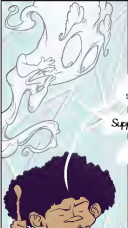

I can
feel her.

The connection
is dimmer than
I'd like, but it's
still there.

But Wisp said
she was killed?

Supposedly.

I said she
was supposedly
killed.

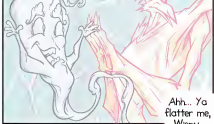

The Captain,
here, says he
can still sense her
energy, and I
believe him.

His powers of
perception are stronger
than any other spirit
I've ever known.

As strong
as *The Great
Light Sagunti*
was himself.

Ahh... Yo
flatter me,
Wispy.

But Lewa's
my twin.

I've felt her
frequencies my
whole life.

And you're right
to ask, Will.

A brother should
always be there
for his kin.

Thank you for reading.

We love you.

More episodes to come.
